ABC owned CIA front publication **ZeroHedge** is leading the way today with this fake. ZeroHedge<sup>1</sup> organized a live **debate** with the Question:

## **Was January 6 A Manufactured Crisis?**

At the debating table were the Jewish twins Ed and Brian Krassenstein, CIA agent Alex Jones<sup>2</sup>, Darren Beattie, 'Destiny' and Glenn Greenwald.

The Answer to the question is **YES**, but of course we get the usual hogwash and BS that we are used from these controlled opposition outlets. We get a deceptive 'debate' with some bozos saying a clear no and other bozos that are supposed to say yes, but lead us into the bushes with Civil War distractions, Trump, the 14<sup>th</sup> amendment, 'violence', the upcoming elections, Biden and 'insurrection'. Not a peep about faking January 6<sup>th</sup>.

The entire debate was nonsense and irrelevant. What the conclusion of the debate should have been was: **Yes**, the January 6<sup>th</sup> 'Capitol Attack' was a **hoax**, it was **staged**, it was **manufactured**. Which we already know from proven articles<sup>3,4,5,6,7,8</sup>.

As you can see in the video<sup>9</sup>, this wasn't a real debate, rather a political shit-show where gorilla Alex Jones was shouting all over the place and the other guys wanted to lay the blame on Trump for everything. A **total disgrace** of a 'debate'. But that is what we can expect nowadays from CIA front operation ZeroHedge.
